Education

SRKR ENGINEERING COLLEGE

Bachelor of Technology in Artificial Intelligence and Data Science and Engineering

Aug. 2023 – May 2026

CG PA- 7.5(present)

MBTS Govt Polytechnic

Diploma in Computer Engineering

Aug. 2020 – May 2023

CG PA- 8.4

Presidency high school

SSC

Aug. 2019 – May 2020

CG PA- 9.7

Experience

XGENIESOFT

Web Developer Intern

Jun 2022– Jan 2023

Duration : 6months

- Developed responsive and user-friendly UI components using React.js, HTML5, CSS3, and JavaScript .
- Fully refactored company website code into React component-based architecture, applying the DRY principle to enhance code re usability and maintainability .
- Intern,Digital Marketing Email Marketing for company Trace Network and Engineering Pvt.Ltd

Projects

Real-time Emotion Detection | Deep face,Django

[Source Code](#)

Created a real-time emotion detection system using Deep Face and Django for facial expression analysis . Integrated the Deep Face library to analyze emotions from live video streams with over 90% accuracy.

Developed a web interface using **Django** to display detected emotions in real-time ,also detailed analysis bar graph .

Blockchain-Based Land Registration System | ethereum , JavaScript

Implemented blockchain technology to enhance the efficiency, security, and transparency of land registration processes.

Utilized cryptography techniques to secure sensitive land ownership data, ensuring privacy and integrity.

Conducted in-depth analysis of existing land registration systems, identifying pain points such as fraud, inefficiency, and lack of transparency.

Dockerized Custom Web server Deployment | docker,PHP

Designed and implemented a custom web server using docker,leveraging Ngnix and PHP for dynamic content delivery,while enhancing scalability and streamlining deployment process.

Technical Skills

Languages: Python, Java, HTML5, CSS3

Libraries/Frameworks: Tailwind CSS , React.js , spring boot

Developer Tools: VS Code, Eclipse,Git, GitHub

Achievements / Certifications

Merit Certificate *Regional Poly fest 2023* Recognized for excellence in the project "Land Registration Using Blockchain," highlighting innovation and effective application of blockchain technology in property management. [view e-certificate](#)

Certified in NIELIT-Completed online internship program in Devops [view e-certificate](#)
